

Multisyllable Routine Cards Package

75 fully prepared phonics lessons
designed for students in grades 3-12

Fast-track students to decoding multisyllable words in powerful, daily 10-minute sessions.

Decoding longer words has a direct impact on reading accuracy, fluency, and comprehension and is often a challenge for many students in grades 3 and above. Classroom-ready multisyllable decoding lessons, visuals, and manipulatives help students make quick work of reading big words! Teacher-directed implementation paths allow flexibility where it matters.

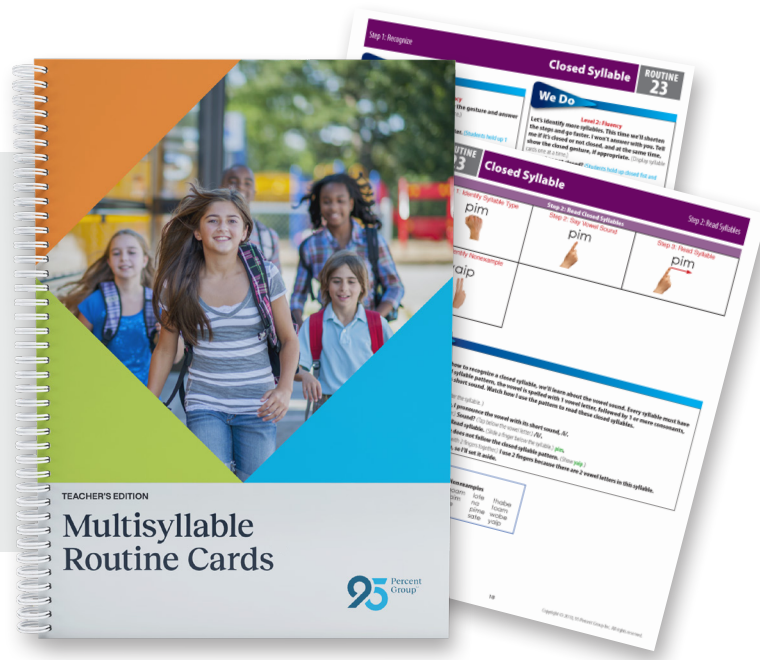

Multisyllable Routine Cards can be used as a supplement to whole-class instruction or while working with small intervention groups.

The Multisyllable Routines Cards (MSRC) Package includes:

- Multisyllable Routine Cards Teacher's Edition
- Multisyllable Routine Cards Digital Presentation Files
- Online ancillary resources
- Four colorful anchor posters

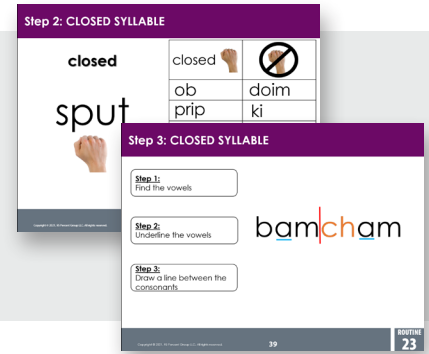

The MSRC Teacher's Edition

includes a set of six multi-step routine cards that provide direct and explicit instruction to fast-track students to becoming more accurate and fluent when decoding multisyllable words.

MSRC Digital Presentation Files

clarify concepts and inspire active learning. The digital presentations are powerful tools in explicit literacy instruction and allow teachers to shift seamlessly from classroom to screen-based instruction.

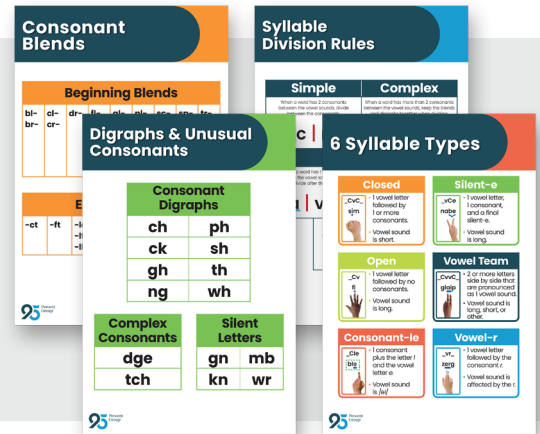

Online Ancillary Resources

include practice opportunities and skill assessment; application tasks such as word hunts, sentence dictation, and phrase reading; lesson pacing guides to improve instructional delivery and reduce prep.

MSRC Poster Set

includes 4 colorful posters that depict phonics concepts, including consonant blends, digraphs, complex consonants, 6 syllable types, and syllable division rules that are used collaboratively to amplify engagement while supporting the MSRC Package steps and routines.

What does a 10-minute lesson using the MSRC Package look like in the classroom?

FIRST 5 MINS

- The first 5-minutes of each MSRC daily lesson will begin with the original instruction from the MSRC Teacher's Edition.
- Animated slides, along with the instructional dialogue in the Teacher's Edition, allow for smooth instructional transition of the 'I Do' and 'We Do' parts of the lesson.

LAST 5 MINS

- The last 5 minutes of the lesson are presented for application tasks to support mastery of the skill for the day.
